

At West Byfleet Junior School many enrichment opportunities take place beyond the core offer of Music in our school. Whilst we are very proud that every child gets to learn a musical instrument, the following also takes place ensuring that music is a high focus in our curriculum at WJBS. The following music enrichment activities take place:

1. Participation in the Woking Music Festival both lower Junior and Upper Junior choirs.
2. Participation in charity fundraising with Carol singing in West Byfleet village.
3. Performing at Woking Lights Ceremony annually.
4. Participation in the O2 Young voices event annually.
5. WJBS Summer celebration of music including instrumentalists and singers performing.
6. Year 3, 4, 5 and 6 school productions with all children singing.
7. WJBS Inter House Performing Arts competition for budding musical talent in Autumn Term.

This July the children in West Byfleet Junior Choir will be joining with two adult choirs and a jazz band in a concert at St Johns Church in West Byfleet.

There are also daily music clubs for the children to explore: Gigajam, Boomwhackers and Handbells, Choirs and Songwriting.
