Behaviour Expectations

- Children's behaviour is extremely important when we are on school trips as they are representing our school. It is also important to ensure the safety and enjoyment of all on the trip. If any children demonstrate inappropriate behaviour in the time leading up to the trip we may make the decision that they will not take part. We will always aim to inform parents in plenty of time if this was to occur. Refunds will depend on the timescale before the trip and whether we can fill the place.
- Please be aware that if the school takes the decision to return a child home from the trip for any reason (eg health, unacceptable behaviour) that you must be able to arrange prompt collection. Refunds will not be possible in this instance.

**Children and parents
will be asked to sign
a behaviour
agreement prior to
the trip.**

West Byfleet Junior School Residential Behaviour Agreement

Please look through the following expectations with your child.

- 1) Treat all those around you (children and adults) with kindness.
- 2) Listen carefully to instructions from all adults.
- 3) Make sure you are always on time to meeting points and organised.
- 4) Settle down to sleep when asked.
- 5) Stay quiet and remain in your rooms until morning wake up time (your adults will tell you when this is), unless there is an emergency.
- 6) Do not go into each other's bedrooms.
- 7) Shower during your stay and look after yourself by eating and drinking properly.
- 8) Look after your own belongings – make sure they are named and you keep them safe.
- 9) No sweets, snacks or drinks from home to be brought. You will be provided with lots of yummy food.
- 10) No mobile phones, tablets, laptops or any other device with internet capability.
- 11) You may bring a digital or disposable camera but please ensure these photos are not shared online.

If there is unacceptable behaviour whilst on the trip the following consequences may be put in place:

- Early bedtime
- Time out of evening activities
- Time out of main activities

If behaviour does not improve or puts others in danger, parents will be contacted.

If behaviour still does not improve or puts others in significant danger, then the child will unfortunately be sent home (without a refund).
