

West Byfleet Junior School

Problem of the Week - Week 1

2 Points

Complete the missing digits.

$$13\boxed{} - 50 = 85$$

$$334 - \boxed{}0 = 294$$

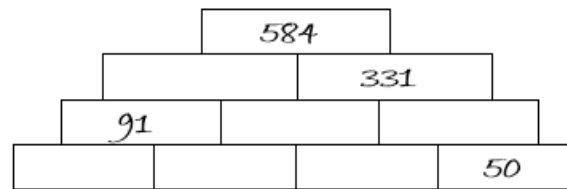

$$545 = 6\boxed{}5 - 70$$

3 Points

Complete the pyramid.

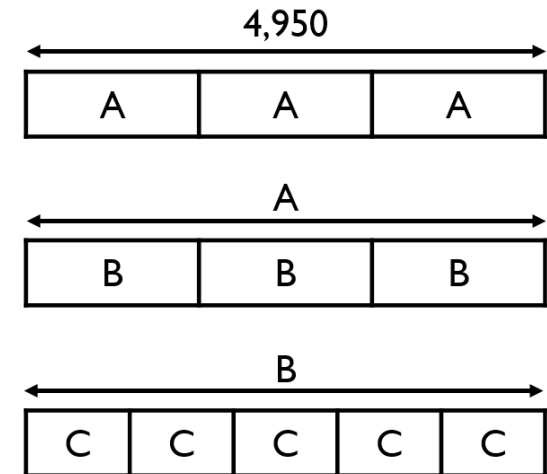

When two numbers next to each other are added together, their total equals the number above.

What are the values of the missing numbers?

5 Points

Work out the value of C.
(The bar models are not drawn to scale)

Attempt to solve one or more of the problems and submit your solutions to Mrs Watts via email ewatts@west-byfleet-junior.surrey.sch.uk

Submit your solution on or before **Tuesday 3rd October 2023** for your points to be added to the leaderboard, if your answer(s) are correct.

The leaderboard, weekly problems and solutions can be found on the school website under: Pupils Zone - Problem of the Week
