

Performance Cricket – Lunchtime Clubs

I will be running lunch time clubs to offer year 3 and year 4 some extra cricket sessions and some match practise and then for year 5 and year 6 to prepare them for their tournaments and matches in the summer term. There are only 8 on a team so not everyone can be selected but these sessions will offer experience for matches and tournaments in the future too. These sessions are open to anyone who would like to try out for the team or just have some extra cricket training or to learn how to play the game so experience is not needed. We will do a mixture of fun games, skills and also plenty of match scenarios too.

This is the perfect opportunity for your child to get some more cricket practise or an option to see whether they may like to join a cricket club in the summer too.

A little bit about me...

I have been playing cricket for over 20 years at my local club, Godalming Cricket Club, where I have been coaching for the last 14 years. Although I have a real passion for playing all formats of the game, I have a real passion for coaching and seeing the development of the children I work with.

I am currently working towards my Level 3 coaching qualification.

I won the Young Cricket Coach of the Year award in both 2016 & 2017.

Places are very limited so please book on as soon as possible to ensure your child's place as it is first come first served.

The sessions will commence **Tuesday 21st April** and run until **Wednesday 20th May** with a total of **5 sessions** for each age group. **Please ensure that your child is aware to meet me by the school field gate located in the playground.**
