

## SUMMER TERM 2026

### After school ECO CLUB

Become a young environmentalist by carrying out projects to improve the school and raise environmental awareness.

Eco club offers children the chance to explore environmental issues and sustainability through hands-on activities and team projects.

Sessions may include recycling projects, litter-picking, gardening, wildlife observation, and raising awareness about climate action.

Children should report to Mrs Tarantino in the Library.

**Eco club** will be held on **Wednesdays from 3:20pm to 4:20pm for 11 weeks** starting on Wednesday 22 April 2026

(the last session will be on Wednesday 8 July).

**Price of the club: £88** (including eco champion badge)

Please make payment via SCOPAY.

Please note that we are unable to offer refunds for sessions your child does not attend.

Please use the link below to register your child for this club no later than Monday 13 April. You will be informed by email if your child has secured a place.

Maximum space: 12
