Rationale

All our residential trips take place in the latter part of the Spring Term and the Summer term, so that we have lighter evenings and hopefully warmer days.

The Y6 trip to Brenscombe is a two night/three day residential.

The main focus of the trip is to enjoy the beauty of the coastal region and experience a number of water-based activities.

Aspiration Resilience Opportunity Creativity Kindness

Brenscombe Outdoor Centre

Creating quality outdoor experiences that connect people to the landscape

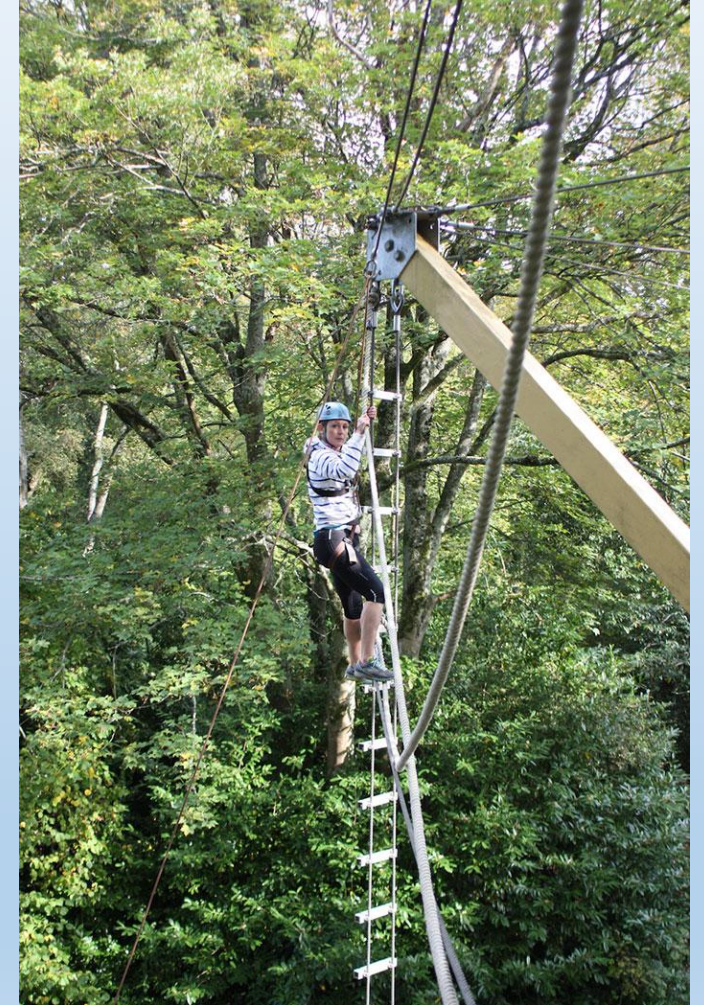

Brenscombe Outdoor Centre is surrounded by farmland with easy access to the sea cliffs, beaches, Poole Harbour and the Purbeck Heath National Nature Reserve. It is a former farm, with Purbeck stone buildings. A venue which is full of character.

Archery

Catapult Challenge

Air Rifle

Kayaking

Raft Building

Big Canoe

Accommodation

There are five accommodation blocks which range from converted barns to traditional Purbeck stone farmhouses. The bedrooms are shared dormitory style with the majority sleeping between 4 and 6 children. The children make their own beds on the first day. All of the buildings have toilets within them, some also have showers. For those buildings without showers, nearby male and female shower blocks are allocated to each school.

Each of the buildings has a coded entrance for security and at least one staff member from the school will be staying within the building. Brenscombe also has a duty instructor available to support the school staff throughout the night.

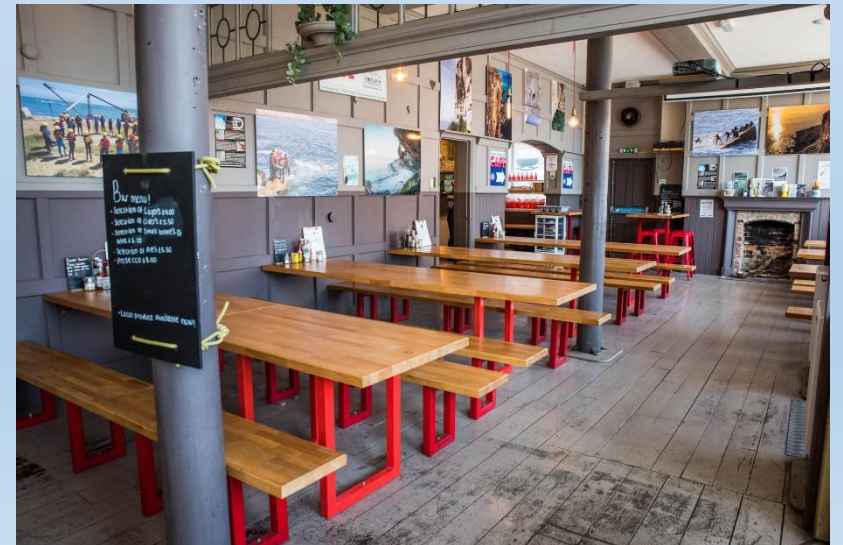

Food

Breakfast includes a cooked option every day along with cereals and toast.

Packed lunches include a sandwich along with fruit, crisps and flapjack or brownie. Your child will be able to pre-order their chosen sandwich filling, organised by the teachers.

Evening meal is a hearty comfort style cooking such as pasta, chilli, burgers, sausages etc.... All accompanied with a pudding.

A wide range of dietary requirements are catered for.

June 2025 Trip Highlights

Brenscombe Outdoor Centre

Trip Highlights

I really enjoyed the high and low ropes, especially the seesaw because it finally pushed me beyond what I would normally do.
- Emma

I really enjoyed raft building because I enjoyed the teamwork involved to build the raft. It was scary once on the raft and I fell in – it was really cold!
- Poppy

The catapult shooting and archery challenges were my favourite activity because it was really satisfying when you hit the target!
- Seb

What you need to know

Educational Visits Coordinator: Miss S Babra

Trip Leader: Miss E Barrett

Administration: Mrs F Hames and Mrs C Edwards

Date of trip: Monday 24 May to Wednesday 26 May 2027

Estimated cost including transport: £330.00-£350.00

Permission and deposit of £50.00 by: Thursday 18 June 2026

Payment schedule: 10 monthly payments from July 2026 to April 2027
