Dear Parents

Extra-Curricular Clubs (Autumn Term) 2026-27

Extra-curricular clubs remain a very important opportunity for children to engage in a wide variety of activities. I am delighted to inform you that we are able to offer a selection of extra-curricular clubs for your children, including a new club for the Autumn Term. We believe that these clubs continue to offer an additional learning opportunity for children and we encourage you to consider them carefully.

The club provider will confirm if your child has secured a place in the club/s of their choice before the date the club commences. Please be aware that school-run club places are not allocated on a first come first served basis. We aim for all children to have the opportunity to enjoy a club of their choice during their time at WBJs. Once your child has been accepted in a club, we would encourage them to make a commitment to it for the duration of the club. **If your child cannot attend a club one week, they should let the teacher in charge know and parents should contact external clubs via email or text.** In the event of a child falling ill at school, before the end of the school day, parents will be contacted by the school office to arrange collection of the ill child. However, if the child falls ill during the club, the club provider will contact the parents directly.

Payment:

Where possible please enrol/pay online by logging onto the club's own website. **Payments should be made directly to the club representative electronically or in a sealed envelope at the end of the first session, not the school office (with the exception of school-run clubs which must be paid for via SCOPAY only. You will be notified by email if your child has secured a place and your SCOPAY account will be updated accordingly).**

Safeguarding and collection of children at the end of clubs:

West Byfleet Junior School is committed to ensuring the safety of all children and visitors on site at all times. Staff, volunteers and all outside agencies are subject to statutory vetting and DBS checks, and the school maintains an up-to-date and comprehensive Single Central Record.

Please arrive promptly to collect your child from the Club. Club leaders will bring children out to the front pedestrian gate where they will safely hand your child to you. If you require your child to leave unaccompanied at the end of a club session (external or school-run clubs), please make your request in writing to the school office. We appreciate your cooperation and patience with this procedure.

Kind regards

Mr Ben Wasserberg
