

Please note that homework will be given out on a THURSDAY and will be due in on a TUESDAY each week.

Please ensure that when recording Homework, you write the **long date** and underline it on the left-hand side of the page, leave a line space and then write the **Learning Question** on the line below, again **underlined with a ruler**. Take pride in your work!

We have high standards for presentation of your work in Year 5!

Remember: Your homework is two tasks – each 30 minutes long. If you choose to spend longer on this, it is completely up to you! But you do not have to. You can stop after your 30 minutes and just let us know that you have spent that time on it.
