Year 5 Homework: 12th November 2026

Please note that homework will be given out on a THURSDAY and will be due in on a TUESDAY each week.

Please ensure that when recording Homework, you write the **long date** and underline it on the left-hand side of the page, leave a line space and then write the **Learning Question** on the line below, again **underlined with a ruler**. Take pride in your work!

We have high standards for presentation of your work in Year 5!

<table>
<tr><th>SUBJECT</th><th colspan="2">DETAILS</th></tr>
<tr><td>Reading</td><td colspan="2">Read to an adult at least 3 times and record this in your Reading Record book.
If you read 5 or more times, your name will be added onto the Reading Challenge!
If the reading book gets lost or damage, there is a 50p charge for a new one.

Once you have finished a book, log into your account on Accelerated reader website and complete a quiz on the book you have just read:
https://global-zone61.renaissance-go.com/welcomeportal/6705491
All classes' Reading Records are checked on Tuesdays.
Please remember how important it is to read at home and talk to someone at home about the book – it will really improve your skills.</td></tr>
<tr><td>Choose your Challenge</td><td colspan="2">Choosing your own Challenge in English and Maths
Children choosing their own chili challenge in English and Maths empowers independence, responsibility and motivation. By selecting their challenge level, they reflect on strengths, set ambitious goals, and strive higher. This self-directed approach promotes ownership of learning, resilience, confidence, and deeper progress, encouraging learners to push boundaries and achieve success.
 No Chili Challenge: choose if you found the work in class too hard
 Mild Challenge: choose if you normally receive support during lessons
 Spicy Challenge: choose if you aim to give your work a go with a learning partner
 Hot Challenge: choose if you like challenging yourself during lessons</td></tr>
<tr><td>English
(30 minutes)</td><td><u>LO: To learn to identify and use relative pronouns and clauses</u>

We have been including relative pronouns and clauses in our writing. Choose your challenge and work through the different tasks with relative pronouns and clauses. Remember to include the correct punctuation when writing your sentences.</td><td>By Tuesday
17th
November</td></tr>
<tr><td>Maths
(30 minutes)</td><td><u>LO: To learn to multiply and divide 10, 100 and 1000</u>

We have been multiplying and dividing numbers by 10, 100 and 1000. Remember to move left on the place value chart to multiply and right on the place value chart to divide. In addition, the whole number moves – we do not just add and subtract zeroes. The decimal point also does not move. Choose your challenge and calculate the answers using the place value chart.</td><td>By Tuesday
17th
November</td></tr>
<tr><td>TTRS</td><td colspan="2">Times Table Rock Stars-
Please make sure you are spending 3 minutes a day on TTRS. By the end of the week, we should be able to see you have completed a minimum of 15 minutes.
Please tick a box in the margin (like the example) each time you complete 3 minutes of TTRS.</td></tr>
