¡Hola! Parent and Carer,

I'm a local parent of two, I am Spanish and have lived in the UK for 20 years, and have a love for language and children.

I've personally experienced my own children picking up 2 languages from as young as 1-2 years old.

What my classes provide:

- A unique structured language course established for 28 years
- An excellent/native accent for the children to copy
- Small classes with plenty of individual attention and learning with children of his/her own age
- Conversation, basic grammar, games, role-plays, rhymes and stories
- An awareness of Spain, its geography and culture
- Yearly reports on your child's progress
- Spanish certificates awarded on completion of each programme

My classes run separately from those offered in school; these are for all children whether they fancy learning more Spanish, or just trying something new. Either way they have the chance to excel at the new language! The programme is designed to challenge the children and enhance their learning skills: they will be able to develop their language skills to the highest level possible, all whilst having a lot of fun!

Classes will start in January after the Christmas break, they will take place every **Thursday at lunchtime**. Classes will be offered at the rate of £5.50 per lesson, paid termly in advance. Demand is high and **places are limited to 12 per class**.
