

Spring Term Homework Y3

Week 1– Thursday 10th January

In Year 3, the children are expected to spend **45** minutes completing homework tasks each week. If the tasks take longer than the allotted time do not worry about completing it. Please sign at the end of a piece of homework. Homework is due in on **Monday 14th January**.

Spellings – English Task

For this week's homework we would like you to practise these spellings which we will be using in Science this term. Please write sentences including the list words or alternatively write the definitions of the words.

<u>Option 1</u>	<u>Option 2</u>	<u>Option 3</u>
5 sentences or 5 definitions	10 sentences or 10 definitions	10 sentences or 10 definitions And Think of 5 more words that could be added to the list

rock	organic
fossil	natural
soil	manufactured
texture	characteristic
surface	observe

Times Tables

Please continue to practise the times tables, your child should be working towards learning one of these sets of times tables. If your child is confident and knows all the times tables from 2-12, they can now work on knowing the corresponding division facts.

2, 5 and 10	3 and 4	6, 7 and 8	9, 11 and 12	Mixed 1 All 2-12	Mixed 2 All 2-12 including division facts
-------------	---------	------------	--------------	---------------------	--

Reading

We would like to once again stress the importance of children reading regularly to an adult at home. The expectation is that children should be reading a book, a minimum of three times a week for five to ten minutes. However, children who frequently read five or more times, will have their names placed on the reading challenge chart. Please encourage your child to read other books too! We are extremely pleased that so many children in Y3 have embraced the reading initiatives introduced last term. The Reading Passports have worked wonders in encouraging the children to read a range of genres and it is wonderful that so many children have taken the opportunity to read *The Ice Palace* by Robert Swindells.

Homework sheets – Note to Parents and Carers:

If your child needs a paper copy for homework, please write a note (in the Homework book) so that we know.

After printing out homework sheets, please carefully trim and stick the sheets into the homework book.

Thank you
The Y3 Team
