Autumn Term After School Clubs

Dear Parent,

Please find below the clubs on offer this term at West Byfleet Junior School. Due to the current situation, we will only be running **Multi – Sports clubs in year group bubbles**. Please see below for club days and dates for each year group. All of our clubs will involve game based activity whilst also providing the opportunity to improve individual skills through various practises. A strong emphasis will be placed on the fun and enjoyment that sport can bring.

If your child is interested in attending any of the clubs on offer, please find the link below to sign up.
