PUPIL MOBILE PHONE - PERMISSION FORM

The possession and use of mobile phones by primary school children has increased over recent years with many children asking their parents for permission to bring their phones into school. We would like to remind parents that these valuable items are at risk of loss, damage or theft for which the school is not responsible. Integrated cameras and access to the internet also present safeguarding concerns. Therefore, we do not allow mobile phones in school. The school will consider written requests from parents, in exceptional circumstances, or if their child walks to or from school unaccompanied by an adult. All requests must be made in writing (see below).

If the Head teacher grants permission for your child to bring a mobile phone into school, please clearly label the phone and place it within a clear plastic bag. Your child is required to hand the mobile phone in to their Class Teacher each morning and not store it in a schoolbag.

If you feel it is necessary to the safety of your child to bring a mobile phone to school, please complete and return the form below.

NAME OF CHILD		CLASS	
I wish to apply for permission for my child (named above) to carry a mobile phone to school for the following reasons: <i>(please give details below)</i>			
I understand that, although the phone will be stored either in the school office or with the Class Teacher, during the day, it is brought into school at the owner's risk; West Byfleet Junior School is not responsible for any loss, damage or theft. I will remind my child that he/she may only use the phone outside of the premises and it should remain switched off during the school day.
